

Planning Mandalas

(and other repeated patterns)

Workshop

4 Hour Session

Join Karina Bates for a 4 hour workshop on planning and executing repeated patterns (mandalas, geometric forms etc..). This planning process can be used with any surface decoration technique, but we will be focusing on sgraffito in this class.

No prior sgraffito or surface decoration required. There will be example pieces to work on, but if you have a mug or bowl you would to try working on during the workshop time, please bring them (they should be medium leatherhard).
