

# *Lids, Spouts, and Handles- The Teapot*

*Instructor – Tim Laurin*

This 2 day workshop will be held on:  
Thursday October 23<sup>rd</sup> & Friday October 24<sup>th</sup> from 1pm - 4pm

*The hand-thrown teapot is often considered the ultimate challenge for potters as it requires the integration of four separate element; body, spout, lid and handle. Tim will offer his perspective on how to integrate these elements, forming a unified vessel that encompasses visual harmony with functional utility. There will be demonstrations on throwing the various components as well as trimming and altering the components prior to assembling.*

Participants need to be able to center and throw min of 2 pounds of clay (ideally 3 pounds).

You are responsible for glazing on your own time.
